Committee Members*  
Andy Frisch  
Kristen Uthman

Please join us in supporting the Kainos Home and Training Auxiliary's Eighth Annual Fashion Show on Friday, October 12 at the Palo Alto Hills Golf and Country Club. This signature Kainos event showcases all that is unique about Kainos and our clients. It also raises vital monies to fund several worthwhile programs. We have set sponsorship opportunities at several levels, and sincerely hope you will consider funding this great charitable event at the level of your choice and/or by donating goods and services.

Kainos was founded by the mother of a young man with a developmental disability. She envisioned her son living as an active, contributing member of the local community, and strove to bring that vision to life. Her efforts to gather available community based services brought that vision to fruition not only for her son, but for other adults with intellectual and developmental disabilities. For 43 years, Kainos has been the embodiment of the success of her vision, developing advanced programs to help train and support clients, each on their own path to greater independence.

This year our major initiatives revolve around building vital job opportunities for our clients in the local community. We have a goal of helping each client identify and attain their dream job! We seek to build a team of both creative "job developers" who will search out appropriate employment for our clients, and effective job coaches who will train and support the clients in those jobs. Additionally, we are also implementing a comprehensive capital improvement plan to ensure that our physical facilities maintain pace with the quality of our programs and the continued transformation of our day program services.

By joining us with your donation or as a sponsor at any level of our premier fundraising event, the Eighth Annual Fashion Show, you will be investing in the lives of our wonderful clients, while reinforcing your belief in our mission -- to enrich the lives of every one of these individuals, and to help each live as independent and full a life as their dreams allow.

Thank you in advance for your support.
